OCULOFACIAL PLASTIC SURGERY OF HAWAII

BRADFORD W. LEE M.D., M.S.C.

An internationally acclaimed oculofacial plastic and reconstructive surgeon, Dr. Bradford Lee opened his Hawai'i practice in 2021 to immediate recognition as a Top Doctor by Castle Connolly, Modern Luxury Magazine, and Honolulu Magazine from 2022-2025. He is honored to be recognized this year for the second consecutive year as Best of Honolulu - Cosmetic Surgery.

"Hawai'i is where I was born and raised. It has always been my dream to return to the islands and care for my community after training and gaining experience on the mainland."

A graduate of 'Iolani School, Harvard University, and Stanford Medical School, Dr. Lee was a professor of Oculofacial Plastic Surgery for six years at the University of Miami Bascom Palmer Eye Institute, ranked the #1 eye hospital in the U.S. for 23 years. An Associate Clinical Professor and Chief of Oculoplastic Surgery at the University of Hawai'i John A. Burns School of Medicine, he is board-certified and a member of the prestigious American Society of Ophthalmic Plastic and Reconstructive Surgery.

"Helping patients achieve their best health and aesthetic outcomes motivates me to continuously perfect my technique," says Dr. Lee. He is currently expanding his office to include new state-of-the-art surgery suites and recently acquired two new best-in-class lasers for skin rejuvenation (Picosure Pro and UltraClear) which unlike other laser modalities, are uniquely effective and safe for all skin tones. At Oculofacial Plastic Surgery of Hawai'i, Dr. Lee and his team are passionate about bringing world-class surgical techniques and the latest technology to their patients right here in Hawai'i.
