OCULOFACIAL PLASTIC SURGERY OF HAWAII

BRADFORD W. LEE M.D., M.S.C.

An internationally acclaimed oculofacial plastic and reconstructive surgeon, Dr. Bradford Lee opened his Hawaii practice in 2021 and has been recognized every year as a Top Doctor by Castle Connolly, Modern Luxury Magazine, and Honolulu Magazine. Dr. Lee and his team are honored to be named "Honolulu's Best – Cosmetic Surgery" for 3 years in a row (2024, 2025, 2026) and are deeply grateful for the continued trust and support of their patients, referring providers, and community.

A graduate of Iolani School, Harvard University, and Stanford Medical School, Dr. Lee was a professor of Oculofacial Plastic Surgery for six years at the University of Miami Bascom Palmer Eye Institute, ranked the #1 eye hospital in the U.S. for 24 years. An Associate Clinical Professor and Chief of Oculoplastic Surgery at the University of Hawai'i John A. Burns School of Medicine, Dr. Lee has lectured and performed surgery all over the world and teaches advanced surgical techniques at international meetings and courses every year.

"Being recognized for the third year in a row by Honolulu Magazine is really incredible, because it is already so gratifying to care for the people of Hawai'i and do what I am passionate about every day," says Dr. Lee.

At Oculofacial Plastic Surgery of Hawaii, Dr. Lee and his team perform cosmetic eyelid and facial procedures that help patients reverse the signs of aging and feel more refreshed and confident about their appearance. They also specialize in non-surgical aesthetic procedures and treat a wide range of medical and reconstructive conditions.

Conveniently located in Queens POB 1, the office has modern, in-office surgical suites and best-in-class lasers like the Picosure Pro and UltraClear for laser skin rejuvenation. By combining surgical expertise, evidence-based medicine, and an artistic approach, Dr. Lee and his team aim to provide compassionate, world-class care to all of Hawaii.
